Messy Ideas

By Peter

Remembrance

Bible verse John 15.13&14

Jesus said, "The greatest love a person can have for his friends is to give his life for them. And you are my friends if you do what I command you."

Something to Do

How good are you at remembering? Get someone to place some things on a tray. Look at them then ask that person to take one thing away, can you remember what is missing?

Look at a photo of someone who haven't seen for a long time and see what you can remember about them, talk about it with someone else who knows them.

A thought

Remembrance Sunday is a time to remember people who died and were injured in wars. We may not know anyone personally but the way we remember is through reading stories or hearing people tell us about them. It is good to think about what other people have done and why they did it.

Prayer

Lord God, we pray for those people who have lost friends and family in war. Please bring comfort to them.

We pray that people will learn to live in peace with those they don't get on with, so that there might be an end to war.

Amen

Breakfast Club — 10th November 2013

Before our All Age Service

Each month we have a Tiberius Breakfast Club—We meet at 8.00 (note earlier time) to have breakfast (that is cereal, juice, tea & coffee, cooked breakfast and toast with spreads) and we enjoy time together before having an activity usually tied in with the preparation of the morning service at 10.15 (note earlier time)

During this months service there is the option to join some of the congregation going to the War memorial in South Street.

Please feel free to come along and join us for Breakfast - it is great for anyone who gets up early with Children on a Sunday and enjoys a full breakfast. A small nominal charge is made to cover the cost of breakfast. We would love to have you join us .

This usually coincides with our all age services or our parade services where our Uniformed organizations join us for worship.

Who's Who ?

Each month we have a group of people helping us make a Mess, these people come from various parts of the Church Family and this is an opportunity to introduce them to you.

Hey my names Lucy, I'm currently in year 11 at The Ashcombe School. I've been volunteering for messy church for quite a few months now and thoroughly enjoy it. It's a great way to meet new people and socialise with the children and its great to see them enjoying themselves and always having fun.

When you
go home
remember
me

I love working with the kids, they're full of enthusiasm and I love doing messy church with them and hope to have a job involving them when I'm older.

It has also had a positive effect on my confidence which has helped me a lot, especially as I play in the under 18's girls rugby Surrey squad where communicating is a really important skill.

H E L P !

We are always looking for help on the activities—if you know someone who would enjoy joining the team we would love to meet them

Are you still collecting those 50p's for Arthur Pound ?

Mr Arthur Pound has arrived to lead the Dorking URC 2013 Campaign to raise the remaining funds needed for the Church Boiler and Pipework replacement that was completed last year at over £100,000.

In particular, he is organising the "50p for the Meter" initiative, by encouraging us all to collect as many 50p coins as we can and to put them br in the Meter that will be at Messy every month.

The Boiler work was less obvious than the other recent projects like the new Kitchen and Toilets, but Arthur has pointed out that although we can't SEE the heat that is now produced, we can FEEL it - and that it is like the warmth God puts inside each of us, hidden to the eye but felt by everyone when we let his love generate from us.

Now the boiler is done we will have heat for many years to come, but before we can do anything more in developing our plans and ideas for West Street, we have to pay off what we have spent.

With that in mind Arthur is here to help and he loves collecting 50p coins - look at him closely and you might see why! So he is asking that every time we find a spare 50p in our change (or anybody else's!), we save it for the Meter to help "Keep the Heat On" in our buildings. Ask Judi and the team for further details. Happy Collecting everyone!
