“Love your enemies”

Bible verse Matthew 5:43-47

“You have heard that it was said, ‘Love your friends, hate your enemies.’ But now I tell you: love your enemies and pray for those who persecute you, so that you may become the children of your Father in heaven. For he makes his sun to shine on bad and good people alike, and gives rain to those who do good and to those who do evil. Why should God reward you if you love only the people who love you? Even the tax collectors do that! And if you speak only to your friends, have you done anything out of the ordinary? Even the pagans do that!

A thought

In the time of Jesus people saw others as friends or enemies, there was nothing in between. Jesus said that

get on with, try not to be horrible to them but be as positive as you can.

Something to Do

Look out for how people talk about others and treat them, ask yourself is it nice or horrible? If it is horrible say to yourself, I am going to try not to treat people like that.

Prayer

Lord Jesus said to do some things which are very difficult, help me to show love to those I find difficult to get on with and be a kinder a person.
Amen

job is described as a Minister, and that can involve many different things from taking services on a Sunday, to visiting people in hospital, and working in the office. I have been a minister for almost 35 years and worked in Witham Essex, Northampton, Bracknell Berkshire and Dorking.

I am married to Judith and have four grown up children, Olivia, Matthew, Thomas and Jonathan. Judith and I like to go walking when we can, and have walked many of the local footpaths. One of my favourite walks is to Guildford via Newlands Corner where we stop for a bite to eat; we then catch the train back to Dorking. I also enjoy playing golf and watching football on the television.

My favourite television programme is Doctor Who; I am old enough to remember watching the first episode of it. When I was at University the common room was packed to see Doctor Who, no televisions in rooms in those days. One of my prized possessions was a multi coloured scarf my mum knitted me like Tom Baker's Doctor Who wore.

Though my family is very musical I am not but I enjoy hearing them play. Occasionally they have formed a band together. I enjoy a variety of music, but am particularly fond of the music from the shows, like Les Miserable, Joseph, Jesus Christ Superstar, Sound of Music but my favourite show is West Side Story.

I am known for eating custard, which has to be made from Bird's Custard Powder. On one university camping holiday when we were short of something to eat I introduce a delicacy of custard and cornflakes, this went down a treat and you can all kinds of things to the cornflakes like jam, stewed apple, raisins, or whatever you have handy, why not try it sometime?

Is it your Birthday ?

Are you still collecting those 50p's for Arthur Pound ?

Mr Arthur Pound arrived early last year to lead the Dorking URC Campaign to raise the remaining funds needed for the

Church Boiler and Pipework replacement that was completed last year at over £100,000.

His "50p for the Meter" initiative has now gathered over 2,500 "Arthurs" and he continues to encourage us to collect as many 50p coins as we can, and bring them to Messy every month.

Every coin raised is another step to pay the final £11,000 so we can keep the heat on at West Street and ensure the buildings to stay warm for Messy..... and all the other activities that the Church supports,

So please keep on collecting!

Reminder

Messy is for adults too !
Please join in with the activities
