Mothers and Others

Bible verse Luke 1:38

"I am the Lord's servant," said Mary; "may it happen to me as you have said." And the angel left her.

Abel,
Isaac,
Jacob

A thought

Mary the mother of Jesus is probably the most famous mother in the world. She is famous for having said yes to God but that yes didn't give her an easy life, she had to see her son suffer and she had to deal with many issues in her life. It is a reminder of the responsibility that those who are mothers or acts as mothers take.

Prayer

Lord Jesus, we thank you for people who love and care for others, in particular we pray for people who are mothers or who take the place of mothers, please bless them and help them.

Amen

Something to Do

See if you can find out the names of the mothers of these people in Genesis the first book of the Bible:-

Mothering Sunday!

Each month we have a Tiberius Breakfast Club—We meet at 8.30 to have breakfast (that is cereal, juice, tea & coffee, cooked breakfast and toast with spreads) and we enjoy time together before having an activity usually tied in with the preparation of the morning service at 10.30

This usually coincides with our all age services or our parade services where our Uniformed organizations join us for worship. If you have any

Who's Who ?

Each month we have a group of people helping us make a Mess, these people come from various parts of the Church Family and this is an opportunity to introduce them to you. **Judith Flint**

You will see me at the piano when you come into church for the Messy service, and if I am not there you can still hear me playing and singing on CD.

I started playing the piano when I was 7 years old. Miss Brown was my brilliant and lovely piano teacher until I went to the Royal Academy of Music when I was 17. I met Peter while I was there, at the University of London Methodist Society. He was studying Biochemistry and Chemistry at Queen Elizabeth College.

I have one sister, Merryll, who also plays the piano, and we have had lots of fun playing duets since we were children.

I play for choral society, opera and show rehearsals in the evenings and work for a charity called Music in Hospitals, which arranges concerts in hospitals, hospices, nursing and residential homes, day centres and schools for children with learning difficulties, where I accompany singers and instrumentalists. I feel privileged to have a job which I love so much.

Reminder

Messy is for adults too!

Please join in with the activities

Is it your Birthday ?

H E L P !

We are always looking for help on the activities—if you know someone who would enjoy joining the team we would love to meet them

Are you still collecting those 50p's for Arthur Pound ?

Mr Arthur Pound arrived early last year to lead the Dorking URC Campaign to raise the remaining funds needed for the

Church Boiler and Pipework replacement that was completed last year at over £100,000.

His "50p for the Meter" initiative has now gathered over 2,500 "Arthurs" and he continues to encourage us to collect as many 50p coins as we can, and bring them to Messy every month.

Every coin raised is another step to pay the final £11,000 so we can keep the heat on at West Street and ensure the buildings to stay warm for Messy..... and all the other activities that the Church supports,

So please keep on collecting!

In church we care for each other

We also should mention others in need in our prayers.
