What a Wonderful World

Our Newsletter in Dorking

We hope you like this newsletter connected to our monthly Messy Sessions, as an opportunity to share the message of each month's session, to keep you up to date with Messy Family Events, Celebrations & News, to share the happenings during the month on our Church Premises and to involve you all in sharing the experience of Messy.

Chris's Messy Thoughts

Bible

Psalms 148 and Acts 17:24-28

What is your favourite time of year, frosty winter mornings perhaps, or maybe balmy summer nights? With spring coming, have you seen any bulbs poking through the ground? How many different flowers can you think of and which is your favourite? What about animals – what's the biggest, or prettiest, wildest, or nuttiest you know? How small is the smallest thing you have seen, and how far away are all those stars in the sky? Can you count them? Can you name them?

The amazing world around us contains more things than we can even imagine and God made them all, and us too! He has spread them in front of us to enjoy, and share, and care for, and to see just how incredible, trusting and generous he is. He trusts us not to spoil things and to keep everything beautiful for the people who come after us. That is why it is important we are not greedy or waste things, and that we recycle and clear up any mess we make.

So, as you enjoy God's wonderful world, thank him, and think about

what it says about him. And, think about how your parents, and grandparents, and great-grandparents have enjoyed it and what you can do to help make sure people in the future are able to enjoy it too!

Prayer

Thank you God for breathing life into us, and for giving us your wonderful world to care for, share and enjoy. When we look at the amazing people, animals, plants and places around us, remind us that they are all made by you, and are all precious to you. Sorry for the times we forget that, and help us to look after them well for people to enjoy in the future. Amen

Project Oasis is to refurbish the rear entrance to our premises. The old toilet building will be demolished to make a more welcoming entrance. The existing gates will be moved back towards the car park and the surface levelled to enable gentle slopes up to the Main Hall, Follett Hall and Living Room entrances. Part of the steps outside the Little Chapel will be removed and a wheelchair lift installed to the right of the doors.

The new area will have seating, a water feature and landscaping to create a quiet contemplative part of our premises. Lighting will be introduced to enable the area to be used in the evening when weather permits. It will look really great when it's finished, please just be patient while the work takes place.
