### Chris's Messy Thoughts

Reading : Matthew 8 : 23-27

I am very lucky to have a friend with a yacht who invites me to go sailing with him from time to time. It's lovely. But, I know from being with him how quickly the sea can change from being a warm, sunny, pleasant place, to a rough, windy and uncomfortably scary place. You can change from feeling very much in control, to very worried, very quickly.

In the story of Jesus calming a storm that is our theme for Messy Church this month, his friends share that experience, and many of them were fishermen well used to being out in boats! This story is one of many amazing things we hear about Jesus doing, we call them his miracles - Jesus is asleep in the boat, a storm comes, his friends panic, eventually Jesus stops the storm and wonders why they were afraid.

Jesus' miracles can seem great for the people in them, but what difference do they make to us? After all, it's not as if we were in that boat is it! And, it's not us he feeds, or heals, or brings back to life in other miracles we hear about! But, I think that misses the point, and these miracles are actually some of the most important stories in the Bible. Through them, Jesus shows us how God provides for us, can heal us, is more powerful than the weather, and most importantly of all, is more powerful than death. It might sometimes take longer than we are comfortable with, but that means God can take care of any problems we might have - we just need to trust in him. Wow!

### Prayer

God of miracles, remind us you are always with us and able to save us, even when life is really hard and scary. Help everyone in difficult situations at the moment to know this and to feel your love and care calming whatever 'storms' they are currently living in. Amen

## ME55Y M8's

Melissa Barnett

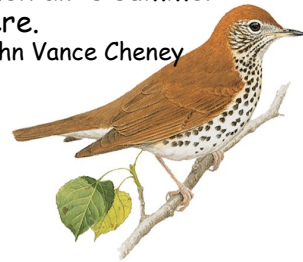

I'm Melissa. I'm in year 8 and go to the Ashcombe School. My favourite colour is blue. I like dance and anything to do with music.

I enjoy listening to music by people like Taylor Swift. I don't have a specific favourite food but I do like pizza and chocolate!!

I'm doing Messy Church because it goes towards a scout badge I am working to achieve and also it's a lot of fun!

I question not if thrushes sing,  
If roses load the air;  
Beyond my heart I need not reach  
When all is summer there.

# Arthur Set for Summer

**Arthur (Half a ) Pound** is looking forward to his Summer project and the opening of the Oasis Project.

Arthur continues his challenge -we completed the 'Heating Challenge' with him! **We are collecting the 50p pieces** which you find in your purses & pockets.

Please join us in our new challenge

**Project Oasis** is to refurbish the rear entrance to our premises. The old toilet building has been demolished to make a more welcoming entrance. The existing gates will be moved back towards the car park and the surface levelled to enable gentle slopes up to the Main Hall, Follett Hall and Living Room entrances. Part of the steps outside the Little Chapel will be removed and a wheelchair lift installed to the right of the doors.

The new area will have seating, a water feature and landscaping to create a quiet contemplative part of our premises. Lighting will be introduced to enable the area to be used in the evening when weather permits. It will look really great when it's finished, please just be patient while the work takes place.

## JOKE time

Q: What kind of shorts do clouds wear?
