Ted's Messy Thoughts

Two Tiny Coins

One day Jesus noticed a poor old lady put two small coins to the temple collection box. This was far less than the rich people were giving. However, Jesus pointed out that her small gifts were more precious because the rich people would not miss the gifts they gave. In contrast, the old lady was giving all she had. She gave it all to God.

We can give things to God as well. Perhaps by giving some of our money to a charity or some of our toys or games to a charity shop. But we shouldn't just give what we don't want. We should give a bit extra. If we give away only what we don't want any more we are like the rich people and will not miss what we give. Nor should we boast and be proud of what we have done. We should keep quiet and not show off because God knows what we have done. We should remember the story of the old lady and give generously to charities and when in church. In this way we are saying thank you to God for all he gives to us.

Prayer

Dear Jesus, you give us so many wonderful things: families to love us; friends to play with; homes where we feel safe; food and drink to help us grow strong; and stories we can learn from. Thank you for these gifts. Teach us to be generous too. To readily give to others and to share what we have with those who are less fortunate. May what we give be as precious as those two coins given by the old lady in the temple.

AMEN

The 4th month of the year is an outstanding one

According to early Roman calendar, April was the second month but became fourth when they started to use January as the first month. The name originally came from Aprilis, meaning 'to open'. In April, small animals that were hibernating usually come out and the birds fly back northward to settle, bees and butterflies begin to gather nectar. In some parts of the world, April is planting time but in other parts, it's the harvest season. Because of the nice warm weather of April, amateur athletes begin to go outside while the professional baseball begins. People usually do huge spring cleaning and

Project Oasis has recently refurbished the rear entrance to our premises. The old toilet building has been demolished to make a more welcoming entrance. The existing gates have moved back and the surface levelled to enable gentle slopes up to the Main Hall, Follett Hall and Living Room entrances. Part of the steps outside the Little Chapel have been

removed and a wheelchair lift installed to the right of the doors.

The new area has an outdoor seating area, a water feature and carefully planned landscaping we hope this has created a new quiet contemplative place in our Church. Lighting having been introduced to enable the area to be used in the evening when weather permits. We thank you for your patience over the past few months, and would love to hear your feedback.

Every little helps !
