Ted's Messy Thoughts

The Man through the roof

Luke 5 :17-26

There is a well-known story in the Bible where the friends of a paralysed man take him on a stretcher to see Jesus because they believed Jesus could heal him. But when they got to the house where Jesus was teaching they couldn't get in. The house was full of people trying hear what Jesus was saying. The friends of the man could have easily given up and gone home but they climbed onto the roof of the house with the stretcher and made a hole in the ceiling. They lowered their friend down into the room where Jesus was standing. Jesus was amazed that they had gone to all this trouble and knew what great faith they had in him. So Jesus forgave the man all the things he had done wrong in his life and said, 'Get up and go home'. And the man was cured and could walk again.

There are two important things about this story. First, like the friends of the paralysed man, we should help our friends in whatever way we can. Second, the friends trusted that Jesus could make their friend well again and their trust was rewarded. When we believe in God he will reward us with all sorts of blessings and good things.

Prayer

Father God, thank you for our friends and for all those who care for us. Thank you for the people who bring us to Messy Church so that we can learn all about you. Thank you that when we are truly sorry for the things we have done wrong you forgive us. Thank you that you can heal people. We pray of all those who are unwell and need to experience your healing love. AMEN

July Facts

1. The month of July is named after Julius Caesar by a decision of the Roman Senate in 44BC as July was the month of his birth.
2. Before that, it had been known as Quintilis (fifth) as it was the fifth month in the old calendar.
3. Although six months have passed, July 1 is not the mid-point of the year. The exact halfway point comes at 1pm BST on July .
4. July's birthstone is the ruby, which is said to symbolise contentment.
5. In all parts of the UK July is on average the warmest month of the year.

Project Oasis has recently refurbished the rear entrance to our premises. The old toilet building has been demolished to make a more welcoming entrance. The existing gates have moved back and the surface levelled to enable gentle slopes up to the Main Hall, Follett Hall and Living Room entrances. Part of the steps outside the Little Chapel have been

removed and a wheelchair lift installed to the right of the doors.

The new area has an outdoor seating area, a water feature and carefully planned landscaping we hope this has created a new quiet contemplative place in our Church. Lighting having been introduced to enable the area to be used in the evening when weather permits. We thank you for your patience over the past few months, and would love to hear your feedback.

Every little helps !
