Our Newsletter in Dorking

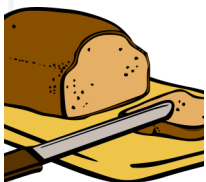

We hope you like this newsletter connected to our monthly Messy Sessions, as an opportunity to share the message of each months meeting, to keep you up to date with Messy Family Events,

Dear Messy Mates

How many doors do you walk through every day - lots I am sure! Sometimes doors are closed to us for good reasons but other times they are open and inviting us to go through and discover something new. This month we are invited through an open door to a special meal which Jesus had with his friends. In it he took ordinary bread and wine and shared it with his friends - as he broke the bread he was preparing them to see that he needed to be broken for them on the cross, and as he poured the wine, it was as if his blood spilt on the cross gave them the offer of forgiveness and a new life to live.

As messy as our lives are, lets never forget how Jesus can take our mess and still help us become the person we can be! The Bible says this is like an Open Door that no-one can shut.

March Matters :

The 3rd month of the year brings us Palm Sunday, St. Patrick's Day, and the start of Spring.

In the Georgian calendar, the calendar that most of the world uses, March is the third month of the year. However, it was the first month and named Martius in the early Roman calendar. Later, the ancient Romans made January to be the first month so March became the third month, which always had 31 days. The name Mars was named after the Roman god of war. In March, the winter ends and spring begins. In the northern half of the world, spring begins in March 19-21, which is the day when the sun is directly over the equator. At this time, the animals end hibernation and begin to show up.

The birth flower for March is daffodil

Please let us know if it is your Birthday in the Month following Messy !

Mountains of 50p's for March

We are continuing to collect 50p pieces which you find in your purses & pockets.

Please join us in completing our present challenge

Project Oasis has recently refurbished the rear entrance to our premises. The old toilet building has been demolished to make a more welcoming entrance. The existing gates have moved back and the surface levelled to enable gentle slopes up to the Main Hall, Follett Hall and Living Room entrances. Part of the steps outside the Little Chapel have been removed and a wheelchair lift installed to the right of the doors.

The new area has an outdoor seating area, a water feature and carefully planned landscaping we hope this has created a new quiet contemplative place in our Church. Lighting having been introduced to enable the area to be used in the evening when weather permits. We thank you for your patience over the past few months, and would love

to hear your feedback.

Every little helps !

Making Messy Ends Meet

We do not Charge for Messy Church but we do need to buy resources and supplies so if you are able a donation will be gratefully received to invest in our future sessions.

Please feel free to add to this Messy Matters if you have anything to share or add to the MESSY fun !
