Our Newsletter in Dorking

We hope you like this newsletter connected to our monthly Messy Sessions, as an opportunity to share the message of each months meeting, to keep you up to date with Messy Family Events,

Dear Messy Mates

My daughter Lydia is the Head Coach for a Team GB Women's Football team taking part in the World Student Games in Taiwan this month. However good her team or however well they do will be down to who is chosen, how skilful they are and how much they play as a team. Team Jesus is kind of the same but different: He chooses us but not for our ability but our availability, not for our wisdom or strength but our foolishness and weakness. You would think on that basis the Team would not do well but you would be wrong. Since choosing the first twelve, He has gone on choosing ordinary people who have changed the world. Remember when you didn't get chosen for a team and how you felt? Team Jesus includes many the world would not give a second glance to, yet who have in them the potential to change and write His-Story!

QUEST is a group for young people aged 11 to 18 to explore faith through informal discussion, fun activities and a variety of challenges and projects. It meets in the Upper Room at least twice a month during Sunday morning worship, and at other times for special events and outings.

On the Sundays that Quest does not meet, this age group join the rest of the church family for **All-Age Worship** or participate in wider Junior Church activities where they are encouraged to help lead and nurture the younger children. You can find out more about Quest by picking up a leaflet.

HOT SPOT meets at the Manse on Sunday evenings from 6.30 to 8.00 pm and is hosted by Pastor David and his wife, Lorna. It is for young adults aged between 18 and 40. Together, they explore how they can follow Jesus in our modern society. There is 'food & fun', topical discussion, Q & A sessions about the Christian faith, DVDs and 'On the Road' visits to other Churches, Christian projects and holy places. Ask one of the Church helpers if you need more information

AUGUST

philipmartin.info

As the 8th month of the year has arrived, here are 6 facts about August which you might not have known.

1. The Romans named this month after the first Roman Emperor Augustus (who ruled from 27BC until his death in AD14) in 8BC.

2. Before this, in the early Roman calendar, August was actually known as Sextilis, the sixth month of the year which began with March. It was originally 30 days in length, but an extra day was added so that it would equal the number of days in July, which was named after Julius Caesar.

3. The Anglo-Saxons called August "Weodmonath" meaning "weed month".

4. The birthstones for August are the peridot and the sardonyx. Peridot is green and among the oldest known gemstones. The lesser-known Sardonyx, is a white and brown-banded gemstone once believed to have mystical powers.

5. The month flowers are the poppy and gladiolus. The name of the vertical-growing gladiolus comes from the Latin word "gladius" which means "a sword".

6. The month of August is often referred to as the "dog days of summer" but not because of pet pooches. It has to do with the star Sirius, also known as the dog star, which rose at the same time as sunrise during the month of August in ancient Roman

After sadly reporting the death of Jackie Ager (one of our Messy Mates) in June I would like to share with you :

a Service of celebration for Jackie's life will be held on Thursday 31st August at 1pm at St Pauls Church for those who may like to attend.
